To Whom It May Concern:

This will confirm that Mr. Dennis Kuhn is a member in good standing of the American Racing Pigeon Union (AU). The AU is the largest organized racing pigeon group in the United States with nearly 10,000 members.

As a member of the AU, Mr. Kuhn is required to maintain a healthy and clean loft. This is also necessary in order to attain loft certification with our national organization. Mr. Kuhn was one of the first members to receive loft certification (#27) with the AU.

Mr. Kuhn utilizes biosecurity measures to maintain a clean loft in order to offer his birds optimum care and, as a result, his loft has been found to be in compliance and is accredited with the national organization. The biosecurity measures that Mr. Kuhn employs have been reviewed by the USDA and may be found at <http://pigeon.org/biosecurity.htm>.

Dennis is an AU Lifetime Member. He has assisted his fellow fanciers and the racing pigeon hobby by serving as secretary, race secretary, president, and many other offices in his local clubs, combine and federation.

Mr. Kuhn has also assisted numerous fanciers as they become involved in the sport. His contributions have led to greater enjoyment and participation for many, which also helps build a solid foundation for the local and national organizations.

Please feel free to contact our national office if we might provide additional information.

Sincerely,

Karen Clifton
Executive Director
